THINK ABOUT

If students have already watched the video, refer them back to episode 2. Ask what they remember about the story (e.g., *Whose house are they in? What does Tom's dad want to do?*). Once students have reviewed the story, focus on the idea of embarrassing parents.

- 1 Now refer students to the questions. Introduce the topic by telling students about the music you like. Allow students to write down their answers to the questions. Then, ask students to compare their answers in their groups.
- 2 Ask students to read through the sentences so that they know what they need to listen for. Then students watch the video and put the sentences in the correct order.

THINK THROUGH

ROLE PLAY A different ending

Explain that students are going to create a role play based around an alternate ending for the episode. Elicit some ideas for what could happen next.

Read through the task with the class. Draw students' attention to the mind map and the suggested phrases. Together, they should give students some ideas for alternate endings.

Monitor and offer support while students prepare their role plays. Encourage as many students as possible to perform their role plays.

Optional activity

If you have the song, ask the students to listen to "Ruby" by the Kaiser Chiefs. Ask students to say what they think of the song.
